

The Lion

Transformed by the Lion to hold His mane,
To run with Him to be ever changed.

To gaze upon His beauty in a whole new way,
Is what I long for everyday.

My Judge, Jury and My King,
You are sovereign over everything.

So I choose to believe...
I choose to see...
To go on adventures beyond my wildest dreams.

You're the Lion and the Lamb so Jesus I take your hand,
To watch you move across the land.
